**Results of the asset-based survey will be out on Tuesday, May 12, and will be read at DHS. An action plan will be in place. Results for DCCarb are incomplete. This will show trends and patterns and the difference between freshman and senior, male and female answers. It also did not address family problems. They do not fix problems, but can direct the person as to where to get help needed.**

**These studies are asset-based surveys which address the cause of youth's detachment from community and what the community is doing right or wrong.**

**The June 4 Youth Commission Meeting will be held at The Depot. This is a dinner Meeting at 6:30 p.m.**

**The meeting was adjourned at 8:30PM.**
